Re: The omission of the entity fee

Title: Aristic knife with spare blades
Filing date: 2001/08/06
Applicant: Han Chung Tseng

Dear Sir,

Please find the enclosed check for the issue fee. I also like to draw your attention for the fee is incorrect. I notice that the entity of this case has been filed in small entity (please find the enclosed copy of the official receipt)

Apparently, there is an omission on the type of the entity.

I didn't find any appropriate form for this kind of indications from the internet, thus this letter is for you to kindly understand the situation.

Please send back the check of USD\$665 if I am right about the fee.

I really appreciate your assistance in this matter.

You may inform me the result via mail or E-mail and fax:
